

WE'RE TAKING PART IN THE

#yvbigestsing #mylovelyday

Young Voices!

Young Voices currently hold the GUINNESS WORLD RECORDS™ for the "Largest Simultaneous Sing" and Marlbrook are going to help to attempt to break this by joining a LIVE stream from The O2 on June the 12th. We will sing "Lovely Day" all at the same time, along with Billy Ocean, Yolanda Brown, Ruti, and the YV band with over 350,000 other participants (and counting)!

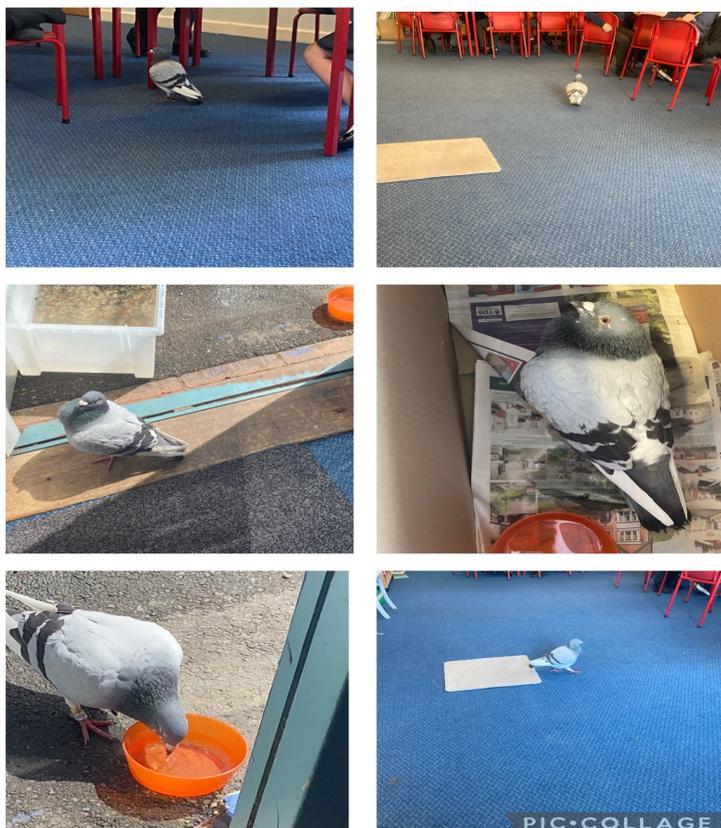

DANGER!
We have had some very concerned parents ring us to say they have noticed some Marlbrook children speeding down to the Green Croft entrance/exit on their scooters and bikes, at the end of the school day. The children are going straight out onto the main road without checking for traffic first!

This could result in a very nasty accident for a child and we would urge you to remind your children about the danger of traffic on the main roads around the school.

A surprise visitor . . . !

2Wa had a very special visitor last week . . . a racing pigeon that had flown off-course. He made his way to 2Wa where he joined Miss Walton and the children for lessons!
2Wa realised he must have flown off-course so they did some research to find out how to trace the bird back to the rightful owner. All racing pigeons carry a hard plastic ring on their leg which identifies the owner. With this information 2Wa were able to trace the owner. In the meantime, the children looked after him until his owner could come to collect him all the way from Portsmouth!

PIC-COLLAGE

Well-being at Marlbrook

A mandala is a symbol depicted as a circle. The mandala is often used as a symbol of inner well-being and peace. In Year 5, as part of our PSHE lesson and wellbeing, we created Mandalas in teams. The children had to work together to create a design in chalk on our playground.

Having fun in Exploring Nature After School Club!

Nature club have been busy this term, learning about the animals and plants in our environment. We had a look at the art work of Andy Goldsworthy and then made our own self portraits from natural material we found in the playground and on the field. We think they are pretty good. We have also made prints using the natural dye from plants, been on mini-beast hunts and made bug hotels.

Design a Stamp Competition

Marlbrook Pupils have been artistic this half term creating some fabulous designs for the next Royal Mail Stamp. The theme is heroes who have supported us during this pandemic. The winning design (which could come from any school within the UK) will be printed and sold in all post offices and the designer will win £1000! Fingers crossed. #HeroStamps

Here are some of the entries that we will be sending off for judging very soon.
