

### Year 4 Easter Performance

On Monday, the Year 4s had their Easter Performance, telling the story of Holy Week. Through singing, acting and dance they told the story of Easter to their parents and carers. The year 4 teachers are really proud of all their hard work.

### Marlbrook Sculpture Trail

Since the pandemic, we have seen that some children are struggling with their emotions. As one way of overcoming this, The children had the opportunity to express themselves, whilst having fun and getting involved with something that they can go to if they are feeling emotional. Each year group focused on a different emotion such as happiness, sadness, calm, anger, love and fear. We invited Matt Shaw in to work with the children, He visited the school every week to work with each child on their Year Group sculpture. All the children enjoyed producing the sculptures and we now have something that everyone can admire.

**Pedestrian Training!**  
Year 3 have been learning all about Road Safety. They had some theory lessons and then went out to put it all into practice. They practiced how to cross roads safely when out and about.

Enjoy your Easter Break! See you on Monday 25th April!

**Easter Bonnet Parade 2022!**  
We had some very inventive entries for our Easter Bonnet Parade!  
We are sure you will agree that they are all winners!

### **Year 2 trip to the Sea Life Centre**

Year 2 thoroughly enjoyed a trip to the Sea life centre in Birmingham as part of their Science Topic. It was their first trip since Covid and they showed superb behaviour throughout the day. The children loved exploring the different animals especially the penguins, jellyfish, starfish and of course the tropical fish were a big hit. We did have to be careful going through the 360 tunnel not to get knocked over by the giant turtle or tiger sharks! A great trip had by all!!
